## 1.4 RISK MANAGEMENT

### 1.4.1 RISK APPETITE

The Risk Appetite Statement 2021 sets the guidance and boundaries for the activities conducted by SBM Offshore in pursuit of its strategic objectives. The Management Board reviews the Risk Appetite Statement annually to ensure that SBM Offshore maintains the balance between risk and

reward, relative to potential opportunities. The measurement of the underlying metrics is done every quarter and presented to the Audit and Finance Committee.

The significant parts of SBM Offshore's Risk Appetite Statement are displayed below.

Material Topic	Activities guided by Risk Appetite, i.e. activities ...	Guidance
Ethics & Compliance	which are non-compliant with the Code of Conduct and related laws and regulations	Zero tolerance
	for which a country or business partner is sanctioned, and/or whose decision makers do not share the same compliance principles	Zero tolerance
